

PREVENT THE SPREAD OF COVID-19

Arlington County strongly urges all community members to change their daily behavior now to reduce risk from COVID-19. This includes the following federal and state guidance to:

- Avoid non-essential gatherings of 10 or more people**
- Practice social distancing by maintaining six feet of personal space**
- Stay home when sick**
- Wash your hands often or use hand sanitizer**
- Clean and disinfect frequently touched objects and surfaces**

Remember, if you plan on touching equipment, wipe it down with disinfectant wipes before and after use
