February 25, 2022	Request for NIC Assistance Approved	Scheduled September 2022
April 10, 2022	Hired Quality Assurance Manager Position	<p>ACSO hires QA Manager. This position will oversee all contracts that provide direct services to the individuals remanded to Sheriff's Office custody. Those contracts include but are not limited to medical, food service, phone system and canteen.</p> <p>The intent of this position is to ensure our contractors are providing the services contracted for and that they meet all accreditation standards which ensure we are providing the highest level of care/services.</p>
April 2022 FY 2023	Real Time Tracking Technology – Funded FY 2023	Currently working on request for proposal (RFP) to purchase a medical device (e.g., wrist monitor) system that will track heart rates and alert workstations if a resident's heart rate is low or elevated. This will also include the location feature of residents and an alert if the device is removed.
TBD	National Commission on Correctional Health Care (NCHC) Accreditation	Accreditation signals an acceptable level of care for individuals in custody, which translates into adding another accreditation to ensure quality health care, fewer grievances and reduced health risk to the community when incarcerated individuals are released.
